01 / PROFILE

Graphic designer with **10+ years of experience** in visual communication, brand identity, print, editorial layout, and creative concept development. My work combines expressive typography with clear, considered design.

02 / PROFESSIONAL EXPERIENCE

Suburban Pest Control

Mar 2018 - Present

Graphic Designer & Marketing Specialist | Yonkers, NY

- Designed print advertisements, signage, business cards, letterheads, contracts, and branded materials for business communications.
- Produced photography, marketing visuals, and informational materials; maintained consistent design across physical and digital applications.
- Worked with operational teams to translate practical requirements into clear, usable visual communication.

Earlier creative work

2009 - 2020

Wency's Fashion: Freelance social media and digital marketing (2016-2020). **Consulate General of Saint Lucia:** Event photography (2013-2016). **Laborie Boys' Primary School:** Print materials, brochures, and flyers (2009-2012).

03 / SELECTED PORTFOLIO WORK

The Light Years

Conceptual book redesign using scale, negative space, and experimental typography.

Motions of Water

Editorial study using letterforms to communicate the movement of water.

Pressed Juicery

Independent brand refresh across identity, packaging, and promotional applications.

Scenic Moments & LOVE Prints

Illustration, stationery concepts, and an expressive typographic footprint identity.
